Instructor: Anna Grotans

AU 2019

German 2253

Magic, Murder, Mayhem

GE Literature

GE Diversity: Global Studies

Origins and highlights of German culture and life to 1648 as reflected in literary and poetic works, Germanic mythology, religion, and the arts. Come explore the Middle Ages in German literature and culture. We'll read about dragonslayers, strong women, knights in shining armor, mystics and pacts with the devil gone astray.

Taught in English.
