

German Career Day 2019

To all Ohio High School German Teachers!

The Department of Germanic Languages and Literatures at the Ohio State University is pleased to announce that on February 4th, 2019 we will be hosting our second *Deutscher Karrieretag* at the Ohio Union. The event promises to offer your students the opportunity to meet experts representing German businesses operating in Ohio, recent Ohio State alumni using German in their professions, and to learn about study abroad programs and scholarship opportunities. In addition to a morning of insightful presentations and information tables, students will be treated to a campus tour (in German) and are invited to participate in our **Poster Contest** (Theme: *deutsche Firmen*), where they will compete for individual and classroom prizes. We ask that students pack or purchase their lunches, so that funding can go directly to assist with **Travel Stipends**. Space is limited to the first 180 confirmed participants, so please consider bringing your interested college-bound upper classmen. If you have any questions about the program, travel aide and to reserve your spot (due **January 21st, 2019**) please contact our outreach coordinator Kevin Richards at richards.113@osu.edu. *Wir sehen uns da!*
