Dirk von Petersdorff
(University of Jena)

Das romantische Konzept einer 'neuen Mythologie'
(Friedrich Schlegel, Jacob und Wilhelm Grimm, Heinrich Heine)

Dirk von Petersdorff, Professor at the University of Jena and a member of the Academy of Sciences and Literature, Mainz, received the Kleist Prize (among other distinctions) for his poetry. His research and teaching interests include modernism, theory and literature of Romanticism, literature and religion, and the relationship of image and text.
